Established in 1981, Hinds Hospice serves the Fresno, Madera and Merced County areas with numerous hospice care services for patients of all ages and afflictions. To date, Hinds Hospice has served over 15,000 patients. Hinds Hospice maintains the **only inpatient Hospice Home between Bakersfield and Modesto**, visits anywhere between 120-140 patients in their own homes, and runs a Pediatric Hospice Program for children with life-limiting conditions. Hinds Hospice also operates a Center for Grief and Healing and a rare perinatal hospice and infant loss program (Angel Babies/Bebitos Angelitos) in addition to Multicultural Outreach, formal Physician Education, and five thrift stores.
